$ 1,825.00

302/351W "Z-Head" Aluminum - Assembled 63cc w/ 7mm Valve

Unlock peak performance for your 302/351 Windsor engine with our Z-Head Cylinder Head, built from premium A356 T6 aluminum for unmatched durability. Enjoy superior airflow and power with 7MM stainless steel valves and high-flow ports, engineered to elevate your ride to new heights.

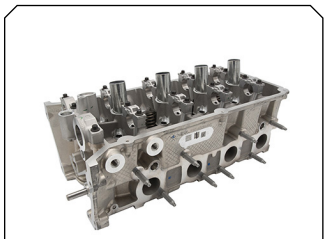

SKU: M-6049-Z304DA7

$ 1,955.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

2018 Gen 3 Mustang Coyote 5.0L Cylinder Head LH

Transform your 2018 Mustang GT with the 5.0L Coyote Gen 3 Cylinder Head LH, expertly designed for superior flow and performance. This precision-machined upgrade fits seamlessly, boasting enhanced intake and exhaust capabilities for an exhilarating drive.

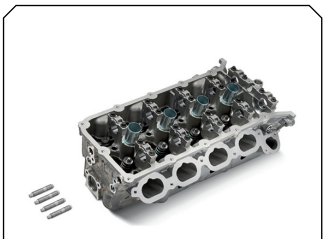

SKU: M-6050-M50B

$ 1,145.00

5.2L "Gen 3" LH Cylinder Head

Rev up your engine's potential with the 5.2L "GEN 3" LH Cylinder Head, designed for ultimate performance and durability. Featuring larger valves and fully CNC ported passages, this powerhouse component boosts horsepower and enhances cooling for high-performance builds.

SKU: M-6050-M52B

$ 2,440.00

GT350 Cylinder Head LH Semi Finished

Unlock peak performance for your GT350 with our semi-finished cylinder head, primed for your custom upgrades. Enjoy precision machining and the freedom to fine-tune, ensuring it meets your high standards for control and power on the road.

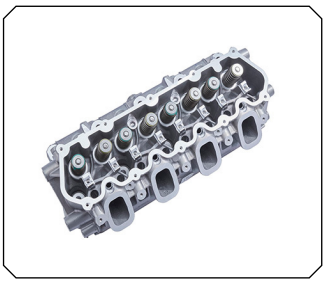

SKU: M-6050-M52X

$ 1,440.00

7.3L LH Cylinder Head Assembled

Revitalize your 7.3L engine with the genuine Ford OE Assembled LH Cylinder Head, designed for superior performance. Its robust cast aluminum chamber and precision valve angles deliver unmatched durability and efficiency, ensuring your engine runs at its best.

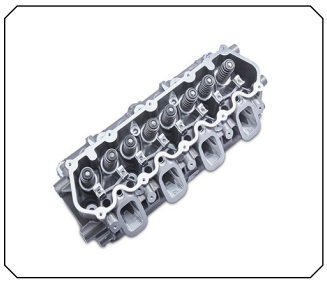

SKU: M-6050-SD73A

$ 770.00

7.3L LH CNC Ported Cylinder Head

Elevate your 2020+ Super Duty 7.3L with the Ford Performance CNC Ported Cylinder Head, crafted for unmatched power and precision. Featuring in the Megazilla™ 615HP engine, this easy-to-install upgrade maximizes airflow and durability to keep your ride at its best.

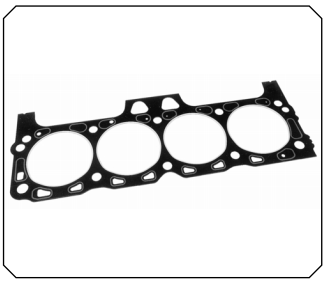

SKU: M-6050-SD73P

$ 2,035.00

Cylinder Head Gasket

Elevate your engine's power and reliability with the 460-521 Head Gasket Set. Crafted with cutting-edge materials for superior heat resistance, these gaskets are perfect for high-performance and competitive driving, ensuring your vehicle can conquer any challenge with confidence.

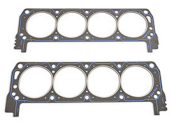

SKU: M-6051-A441

$ 50.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Cylinder Head Gasket

Elevate your engine's performance with our premium Cylinder Head Gasket Set, crafted for both cast iron and aluminum heads. Enjoy unmatched durability and a flawless seal with Teflon-coated surfaces and a robust metallic core, perfect for high-performance demands.

SKU: M-6051-B341

$ 115.00

302/351 Head Gasket Set

Boost your engine's power with our Head Gasket Set for Pushrod V8 5.0L/5.8L, perfect for 302 and 351 high-performance engines. Crafted with durable composite material and Teflon-coated surfaces, it guarantees a strong seal and peak performance for your Ford.

SKU: M-6051-C51

$ 39.00

302/351 Head Gasket Set

Elevate your engine's power and reliability with our premium Head Gasket Set, tailored for 302 and 351W blocks. Featuring Teflon-coated surfaces and wire-encased seals, this set delivers a flawless seal for peak performance in high-stress conditions.

SKU: M-6051-CP331

$ 195.00

302 Head Gasket and Bolt Kit

Boost your 302 Ford engine's performance with our Head Gasket and Bolt Kit 5.0L Pushrod. Engineered for a flawless fit and ultimate sealing, it's the top choice for enthusiasts craving unmatched power and reliability.

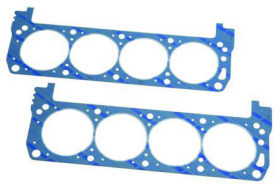

SKU: M-6051-D50

$ 61.00

Cylinder Head Gasket

Elevate your engine's power with our Cylinder Head Gasket Set, crafted for both cast iron and aluminum heads. Featuring a Teflon-coated surface and solid metallic core, these gaskets promise a flawless seal and enduring performance for high-octane adventures.

SKU: M-6051-R351

$ 115.00

302/351 Head Gasket Set

Boost your engine's power with our 302/351 Head Gasket Set, perfect for both cast iron and aluminum heads. Featuring a solid metallic core and Teflon coating, these gaskets deliver unmatched sealing and durability for high-performance demands.

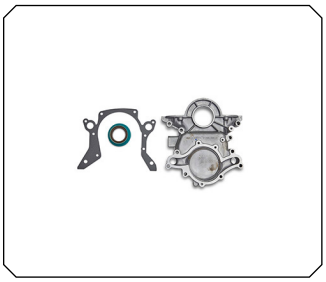

SKU: M-6051-S331

$ 105.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

289/302/351W Short Serpentine Belt-Front Timing Cover

Upgrade your Ford engine with our USA-made 289/302/351W Short Serpentine Belt Timing Cover, crafted from premium die-cast aluminum for unmatched precision. Perfect for your Mustang GT, it seamlessly fits, accommodating a reverse rotation water pump for optimal performance.

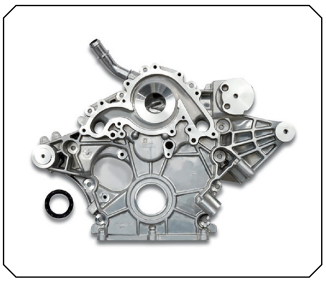

SKU: M-6059-A50

$ 180.00

7.3L Gas Timing Cover Kit

Revitalize your 2020+ Super Duty 7.3L gas engine with our 7.3L GAS TIMING COVER KIT, crafted with new OE parts for unbeatable reliability. Enhance engine builds and rebuilds with Ford Performance precision, featuring the LC3Z-6019-C timing cover and GK2Z-6700-A front crank seal.

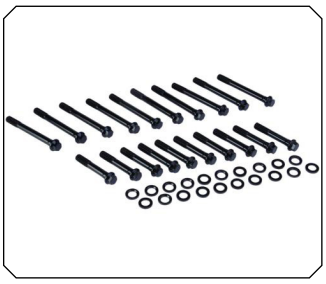

SKU: M-6059-SD73

$ 175.00

Boss Block Head Bolt Set

Boost your engine's capabilities with the BOSS Block Head Bolt Set. Engineered for flawless installation on select Ford Performance heads and blocks, these 1/2" ARP bolts provide unmatched durability and precision, making them a must-have for dedicated automotive enthusiasts.

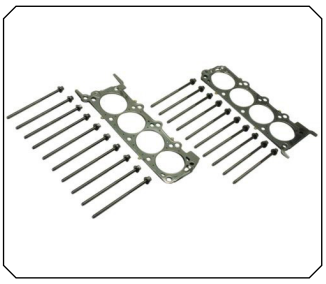

SKU: M-6065-BOSS

$ 170.00

5.0L 3V Head Changing Kit

Boost your engine's power and reliability with our 5.0L 3V Head Gasket Kit, crafted for the M-6010-BOSS50 engine block. Enjoy a perfect fit and lasting durability with robust multi-layer steel gaskets and high-strength bolts.

SKU: M-6067-3V50

$ 350.00

2018-2026 5.0L Coyote Head Changing Kit-12mm Head Bolts

Transform your 2018-2025 5.0L Coyote with our Head Changing Kit for unbeatable power and longevity. Equipped with GT500 high-strength 12mm bolts and custom multi-layer steel gaskets, it ensures a flawless fit and exceptional durability.

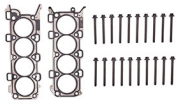

SKU: M-6067-M5018

$ 235.00

5.0L Coyote Head Changing Kit - 5.2L Head on 5.0L Block

Unlock peak performance with our 5.0L Coyote Head Changing Kit, enabling you to seamlessly upgrade to the powerful 5.2L GT350 head. Enjoy superior durability and efficiency with precision-engineered gaskets and high-strength bolts for a flawless fit.

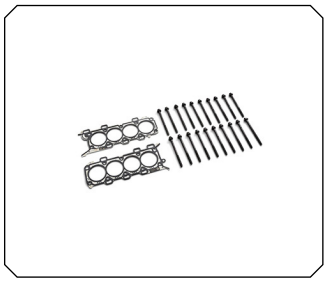

SKU: M-6067-M5052

$ 150.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Boss 302R Head Changing Kit

Enhance your Boss 302R with the Cylinder Head Changing Kit, expertly crafted for superior sealing under high pressure. Featuring multi-layer steel gaskets and robust 12 mm torque-to-yield bolts, this kit guarantees peak performance and unparalleled reliability for your 5.0L engine.

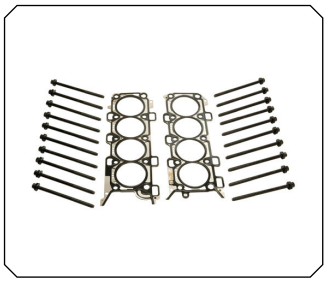

SKU: M-6067-M50BR

$ 195.00

Boss 30R Head Changing Kit - 11mm Head Bolts

Boost your engine's performance with the Boss 302R Cylinder Head Changing Kit, crafted for 2013-2014 5.0L Ti-VCT models. Enjoy enhanced sealing and durability with our 11mm high-strength bolts and multi-layer steel gaskets, ensuring peak pressure endurance.

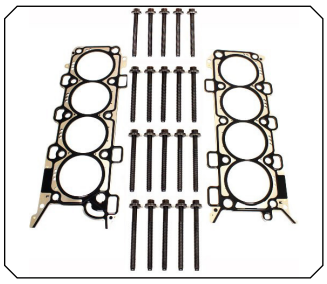

SKU: M-6067-M50BR11

$ 215.00

5.2L Coyote Head Changing Kit

Maximize your 5.2L Coyote engine's performance with our precision-engineered Head Changing Kit. Experience effortless installation with high-strength bolts and multi-layer gaskets, ensuring unmatched reliability and power for every journey.

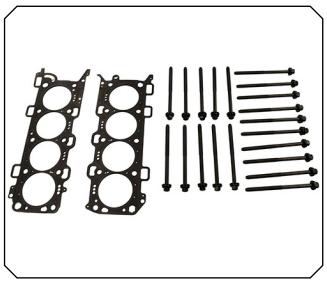

SKU: M-6067-M52

$ 150.00

5.2L "Gen 2" Head Changing Kit

Enhance your engine's performance with the 5.2L "GEN 2" Head Changing Kit, crafted for effortless installation on compatible Coyote blocks. Featuring robust, longer bolts and multi-layer steel gaskets, this kit ensures unmatched reliability and power for your vehicle.

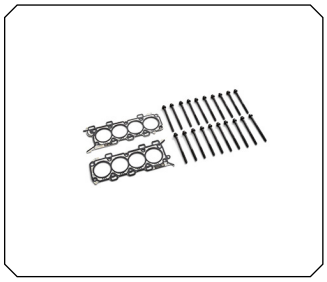

SKU: M-6067-M52B

$ 215.00

5.4L 4V S/C Head Changing Kit

Rev up your 5.4L DOHC engine with the HEAD CHANGING KIT 4V S/C, crafted for peak performance. Benefit from superior sealing and durability, just like the legendary GT500 and Mustang FR500CJ, with multi-layer steel gaskets and high-strength bolts.

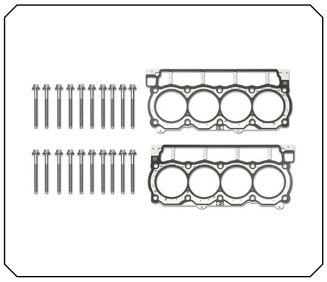

SKU: M-6067-MSVT

$ 140.00

7.3L Gas Engine Head Changing Kit

Revitalize your 2020+ F250 Super Duty with the Ford Performance 7.3L Gas Engine Head Changing Kit, designed for unmatched reliability and power. Crafted with premium OEM parts, this kit ensures a flawless fit for a seamless, efficient engine rebuild.

SKU: M-6067-SD73

$ 175.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Small Block V-8 Hydraulic Roller Tappet Camshafts

Transform your 5.0L Fox-body Mustang with the iconic B303 HYD Roller Camshaft by Ford Performance. Enjoy a powerful boost and that classic lumpy idle, all while keeping smooth drivability—perfect for enthusiasts who crave performance without sacrificing everyday comfort.

SKU: M-6250-B303

$ 450.00

Small Block V-8 Hydraulic Roller Tappet Camshafts

Transform your Mustang with the iconic E303 hydraulic roller camshaft from Ford Performance. Enjoy an exhilarating power surge and classic lumpy idle, all while maintaining smooth driveability—ideal for carbureted or mass air fuel injection systems.

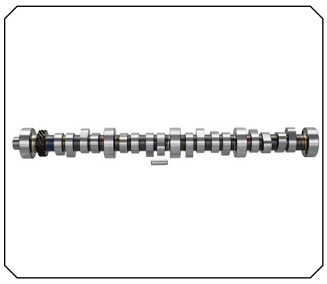

SKU: M-6250-E303

$ 450.00

Small Block V-8 Hydraulic Roller Tappet Camshafts

Unleash your 5.0L Fox-body Mustang's true power with the iconic F303 cam by Ford Performance. Enjoy a thrilling power surge and signature lumpy idle, while maintaining smooth driveability with carburetors or mass air fuel injection systems.

SKU: M-6250-F303

$ 450.00

7.3L Megazilla™ Hi-Performance Camshaft

Unleash the beast within your engine with the 7.3L MEGAZILLA™ HI-PERFORMANCE CAMSHAFT, just like the one in our Megazilla™ crate engine. Experience ultimate power and precision with enhanced intake and exhaust dynamics, ensuring peak performance on every drive.

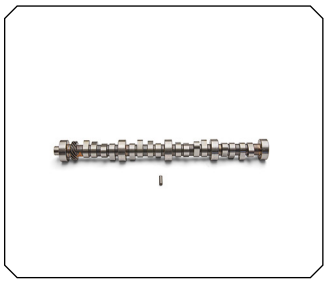

SKU: M-6250-SD73A

$ 1,815.00

Small Block V-8 Hydraulic Roller Tappet Camshafts

Unleash your Mustang's true power with the iconic X303 hydraulic roller camshaft from Ford Performance. Feel the exhilarating power boost and classic lumpy idle, all while enjoying smooth driveability—perfect for those craving the authentic muscle car experience.

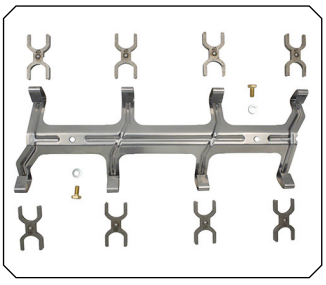

SKU: M-6250-X303

$ 450.00

ROLLER CAM CONVERSION KIT

Unlock your engine's true power with our Roller Cam Conversion Kit, tailored for 1985-2001 302 and 1994-1997 351W models. Perfect for Ford Performance Boss blocks, it promises flawless assembly and unmatched performance with top-notch components.

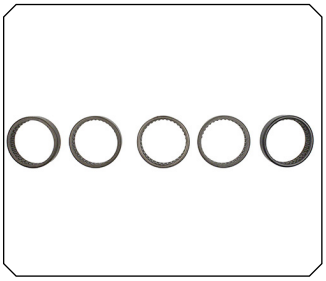

SKU: M-6253-A50

$ 135.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Camshaft Bearings - Roller (Sold In Engine Sets)

Boost your engine's performance with our roller camshaft bearings, engineered for low-friction efficiency using minimal oil. Enjoy a smoother, more reliable ride by reducing oil aeration and windage losses, making every drive a superior experience.

SKU: M-6261-A460

$ 72.00

Camshaft Bearings - Roller (Sold In Engine Sets)

Enhance your engine's performance with our Roller Cam Bearings, designed for reduced friction and superior efficiency. These bearings need only oil "splash" lubrication, cutting down on oil aeration and windage losses for a smoother, more powerful drive.

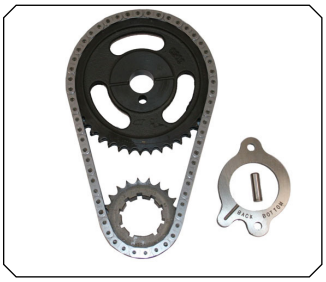

SKU: M-6261-D351

$ 105.00

302/351W Double Roller Timing Chain Set - Cast Iron Gear

Elevate your ride with the 302/351W Double Roller Timing Chain Set, engineered for ultimate precision and durability. Enjoy seamless timing adjustments with its robust design, delivering a smoother, more powerful drive every time.

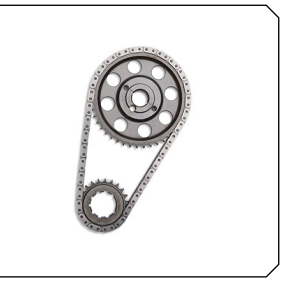

SKU: M-6268-A302

$ 225.00

429-460 Double Roller Timing Chain Set

Elevate your engine's power with our double roller timing chain set, crafted for 429/BOSS 429/460 competition builds. Enjoy precision 9-position adjustments and robust, steel-crafted durability for unmatched reliability and performance.

SKU: M-6268-A460

$ 270.00

302-351W Double Roller Timing Chain Set-Steel Gear

Rev up your engine's power with our 302-351W Double Roller Timing Chain Set—crafted from rugged steel for ultimate durability in competition builds. Achieve perfect timing with its 9-position crank sprocket, delivering unmatched performance and efficiency.

SKU: M-6268-B302

$ 210.00

7.3L Gas Engine Timing Set

Revitalize your 7.3L Super Duty gas engine with our premium timing set, featuring high-quality OE components from the 2020+ F250. Unlock superior performance and reliability with a comprehensive kit that includes a timing chain, crank sprocket, and cam sprocket with variable cam timing.

SKU: M-6268-SD73

$ 150.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

302-351W Camshaft Thrust Plate

Enhance your engine's performance with the Thrust Plate 302-351W, the ideal replacement for 302 and 351W engines. Perfectly crafted for flat tappet and hydraulic roller camshafts, it guarantees a precise fit with timing chain sets, boosting your vehicle's reliability and efficiency.

SKU: M-6269-A302

$ 66.00

Camshaft Thrust Plate

Enhance your 302/351 engine's performance with the Ford Performance Camshaft Thrust Plate, designed for extreme durability in harsh conditions. Made from robust steel, it seamlessly pairs with the M-6268-B302 Timing Chain Set for smooth, efficient operation.

SKU: M-6269-A351

$ 75.00

Fuel Pump Eccentric

Boost your engine's power with our Fuel Pump Eccentric, crafted from premium heat-treated steel for unmatched durability and efficiency. Designed for 289/302/351W small block Ford engines, it ensures smooth and powerful fuel delivery for an exceptional driving experience.

SKU: M-6287-B302

$ 165.00

High Strength Forged Steel 3.40" Stroker Crankshaft

Elevate your engine's performance with the CRANKSHAFT FORGED 347/363, crafted from high-strength forged steel for ultimate durability. Perfectly fitting 302 production and Ford Performance blocks, it features nitrided and polished journals for seamless, powerful performance.

SKU: M-6303-C340

$ 920.00

7.3L GAS ENGINE CRANKSHAFT

Boost your 2020+ F250 Super Duty's power with our 7.3L Gas Crankshaft, precision-forged from durable steel. Enjoy robust strength and seamless efficiency, ensuring your V8 engine performs flawlessly mile after mile.

SKU: M-6303-SD73

$ 510.00

Crankshaft Damper

Elevate your engine's performance with the Ford Performance Crankshaft Damper, crafted from billet steel for unmatched durability. Featuring precision laser-etched timing marks, it meets SFI 18-1 standards and is perfectly tuned for your Ford crate engine.

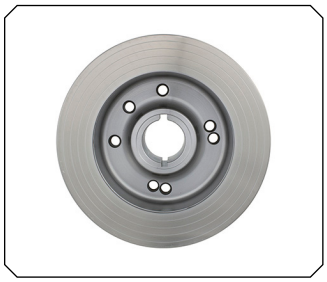

SKU: M-6316-A460

$ 440.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Crankshaft Damper

Elevate your ride with the Ford Performance Crankshaft Damper, expertly crafted from billet steel for unmatched precision. This SFI 18-1 compliant damper minimizes vibrations and boosts your engine's efficiency, making it an essential upgrade for passionate Ford drivers.

SKU: M-6316-A521

$ 385.00

Crankshaft Damper

Rev up your engine's performance with our Crankshaft Damper, engineered for exceptional balance and reliability, meeting SFI 18-1 standards. Perfect for 302, 351W, or 521 engines, it ensures a smoother, more efficient ride with robust construction.

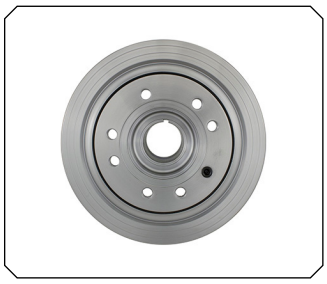

SKU: M-6316-C351

$ 480.00

302/351W Performance Crankshaft Damper

Rev up your ride with our Crankshaft Damper, crafted for 302/351W engines. Certified SFI 18-1 and offering versatile balance options, it guarantees smoother performance and extended engine life—essential for true performance enthusiasts.

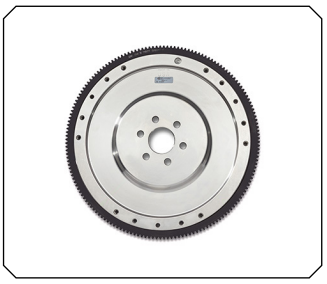

SKU: M-6316-D302

$ 435.00

Manual Transmission Flywheel Steel 157t 0

Enhance your driving experience with the Flywheel Steel 157, crafted from robust billet steel for ultimate precision. Perfect for pre-1981 302 or 351 engines, it promises smoother, faster rides and meets SFI 1.1 standards for unmatched reliability.

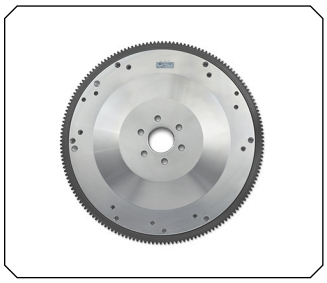

SKU: M-6375-D302B

$ 370.00

4.6L 6 Bolt Billet Steel Mustang Flywheel

Elevate your Mustang's performance with our FLYWHEEL BILLET 6 BOLT, expertly crafted from billet steel for unbeatable power transfer and durability. Perfect for pre-1981 302 and 351 engines, it's the ultimate upgrade for those seeking reliability and thrilling performance.

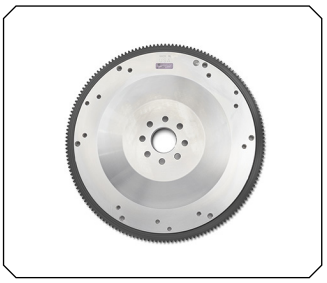

SKU: M-6375-F46A

$ 420.00

4.6L 8 Bolt Billet Steel Mustang Flywheel

Transform your Mustang's drive with our Flywheel Billet 8 Bolt, expertly forged from billet steel for unrivaled durability. Engineered for precision and power, it delivers seamless shifts and rapid acceleration, essential for the performance-driven enthusiast.

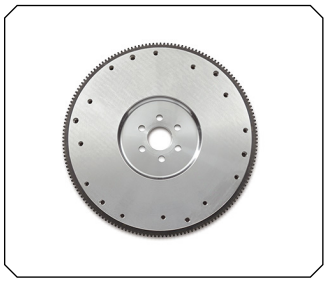

SKU: M-6375-G46A

$ 445.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Manual Transmission Flywheel Billet Steel 164T 28.2

Elevate your driving experience with our Flywheel 164T 28.2INOZ, expertly forged from billet steel for exceptional durability and race-inspired performance. Designed for pre-1981 302 and 351 engines, it delivers smooth power and meets SFI 1.1 standards for ultimate safety and reliability.

SKU: M-6375-K302

$ 445.00

Hydraulic Roller Cam Lifters

Boost your engine's performance with our TAPPET SET HYD ROLLER, designed for 302-351W small block engines. This set of 16 hydraulic roller cam lifters offers seamless integration, ensuring reliability for high RPM and demanding conditions.

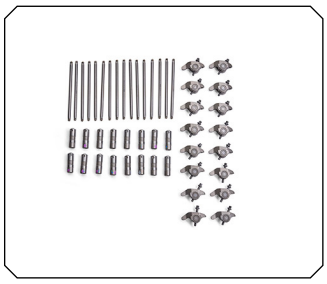

SKU: M-6500-R302

$ 360.00

7.3L Valvetrain Kit - Pushrods, Rockers, Lifters

Experience peak performance and reliability with the Ford Performance Valvetrain Kit for your 7.3L Super Duty engine. Engineered with top-notch OE components, it guarantees durability and precision for models from 2020-2024.

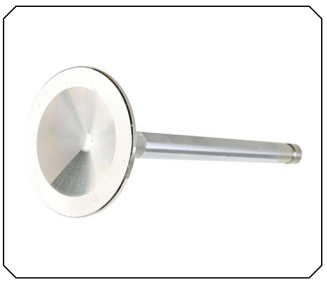

SKU: M-6501-SD73

$ 550.00

Exhaust Valve

Enhance your ride's power and efficiency with our premium stainless steel exhaust valve, crafted for optimal durability and flow. Experience the thrill of smoother, more robust performance every time you hit the road.

SKU: M-6505-A429

$ 22.00

Exhaust Valve 302/351W

Boost your engine's power with our premium stainless steel exhaust valves, crafted for maximum durability and efficiency. Enjoy superior airflow and performance with swirl-polished, under-cut stems designed specifically for Ford Performance heads.

SKU: M-6505-B304

$ 28.00

Exhaust Valve 7mm

Boost your ride's performance with our EXHAUST VALVE 7MM, precision-engineered for durability and efficiency. Made from premium stainless steel and swirl polished for superior flow, it's the perfect upgrade for smoother, more powerful driving.

SKU: M-6505-D3047

$ 20.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Exhaust Valve

Unleash your engine's true power with Ford Performance's premium exhaust valves, crafted from swirl-polished stainless steel for unmatched durability and efficiency. Designed for versatile fitment, these valves optimize airflow to deliver peak performance and power.

SKU: M-6505-G302

$ 17.00

Intake Valve

Elevate your engine's power with our premium stainless steel intake valves, crafted for unmatched durability and efficiency. Designed with precision and a swirl-polished finish, they deliver superior airflow and performance for your GT-40 and Wedge SCJ Aluminum heads.

SKU: M-6507-A304

$ 28.00

Intake Valve

Enhance your engine's performance with our high-quality stainless steel intake valves, crafted for precision and durability. Featuring a swirl-polished finish and under-cut stem, these valves maximize airflow, boosting your vehicle's power and efficiency.

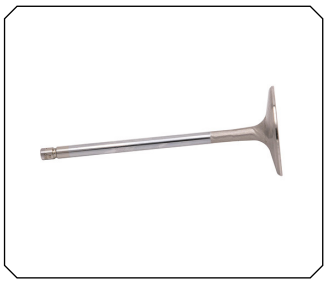

SKU: M-6507-B429

$ 22.00

7mm Intake Valve

Boost your engine's performance with our premium 7MM Intake Valve, expertly crafted from stainless steel for exceptional durability. Its swirl-polished, under-cut stem maximizes airflow, delivering enhanced power and efficiency for your GT-40 and compatible aluminum heads.

SKU: M-6507-D3047

$ 20.00

Intake Valve

Boost your engine's power and speed with our INTAKE VALVE X-HEAD. Made from premium stainless steel with a swirl-polished, under-cut stem, it ensures unmatched durability and airflow for a smoother, faster ride.

SKU: M-6507-J302

$ 22.00

Bronze Valve Guide Kit

Boost your engine's power and longevity with our Bronze Valve Guide 4 Pack, crafted for M-6049 Y/X-series heads. Ensure a perfect fit with these durable guides, designed for 11/32 valves, delivering a smoother ride and exceptional performance.

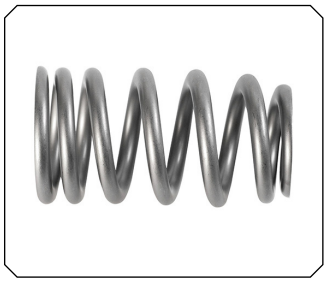

SKU: M-6510-XRBVG

$ 44.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

PAC1219X Beehive Valve Spring Set (16)

Boost your engine's power with the PAC 1219X Beehive Valve Spring Set. Engineered for superior pressure and durability, these springs transform your ride into a smoother, more thrilling experience, perfect for any performance enthusiast.

SKU: M-6513-1219X

$ 315.00

TVS-1734 Valve Spring (1)

Boost your ride with the TVS-1734 Valve Spring, engineered for M-6049-SCJA heads. With 135# closed and 365# open seat pressures, it delivers a maximum lift of .700" for seamless power and performance.

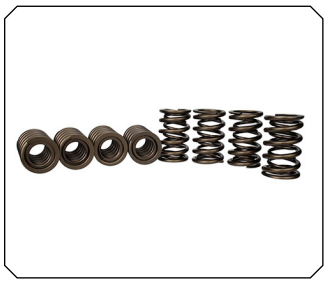

SKU: M-6513-17341

$ 22.00

TVS-1734 Valve Springs Set (8)

Elevate your ride's performance with our TVS-1734 valve springs, precision-engineered for M-6049-SCJA cylinder heads. With superior pressure ratings and a max lift of .700", these springs deliver unmatched power and reliability for high-performance enthusiasts.

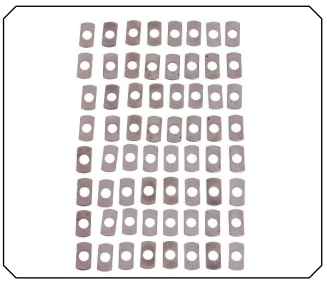

SKU: M-6513-17348

$ 165.00

VALVE ROCKER ARM PEDESTAL SHIM KIT

Optimize valvetrain geometry with this rocker arm pedestal shim kit—ideal for adjusting lifter preload after machining or camshaft upgrades, ensuring proper valve operation and maximizing performance in your small block Ford build.

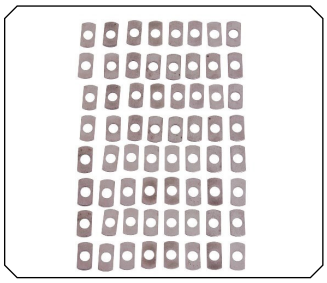

SKU: M-6529-A302

$ 25.00

Rocker Arm Pedestal Shim Kit

Boost your engine's performance with our Rocker Arm Pedestal Shim Kit, tailored for 302 and 351 pedestal style heads. Achieve optimal lifter pre-load and unlock peak efficiency and reliability in your roller rocker arms with precision shims in four thicknesses.

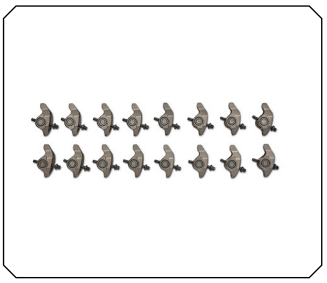

SKU: M-6529-B302

$ 35.00

7.3L Roller Rockers - Set (16)

Elevate your 7.3L gas engine with our premium roller rockers, tailor-made for 2020–2024 models. Unlock superior performance and reliability, ensuring smooth and efficient engine operation with these OE-grade replacements.

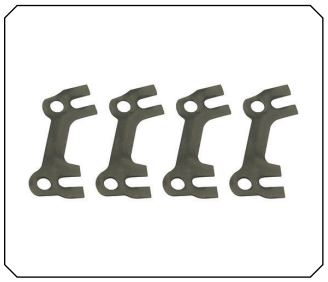

SKU: M-6564-SD7316

$ 215.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

SCJ Valve Push Rod Guide Plate-Fits One Cylinder Head

Boost your engine's power with our SCJ Pushrod Guide Plate Set, precision-crafted for Ford Performance Super Cobra Jet heads. Tailored for mechanical cams and adjustable rockers, these plates ensure flawless alignment and enduring reliability, transforming your driving experience.

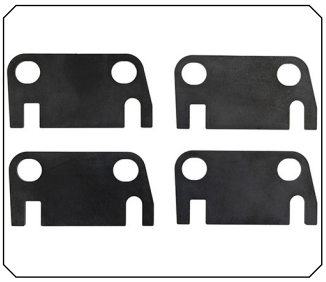

SKU: M-6566-SCJA

$ 83.00

Z304 Valve Push Rod Guide Plate-Fits Two Cylinder Heads

Upgrade your engine's precision with our Pushrod Guide Plates, crafted for Ford Performance Z304 cylinder heads. Ideal for high-performance builds, they ensure perfect alignment and durability, making them a must-have for dedicated enthusiasts.

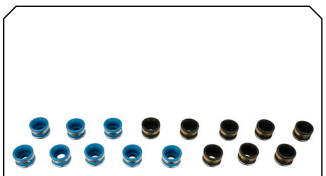

SKU: M-6566-Z304D

$ 72.00

Valve Stem Seals Positive-Type, Guide-Mounted Seal

Boost your engine's power seamlessly with our Valve Stem Seal Set of 16, crafted for GT-40 heads—no machining needed. Experience unmatched sealing and durability, fitting most standard guide diameters for superior engine performance.

SKU: M-6571-A50

$ 39.00

Black Satin Valve Covers

Elevate your engine's look and power with our Black Satin Valve Covers, perfectly engineered for 289/302/351W engines. Made from die-cast aluminum, these covers feature the "Ford Racing" logo, effortlessly accommodating stud girdles and roller rocker arms for ultimate prestige and performance.

SKU: M-6582-LE302BK

$ 235.00

Blue Satin Valve Covers

Transform your engine with our Blue Satin Valve Covers, featuring a bold "Ford Racing" logo. Crafted from die-cast aluminum, these covers fit 289/302/351W engines and accommodate stud girdles and roller rocker arms, offering both style and superior performance.

SKU: M-6582-LE302BL

$ 235.00

Black Satin Valve Covers

Revamp your engine's look and boost performance with our Black Satin Valve Covers, perfect for 289/302/351W engines. These sleek die-cast aluminum covers, featuring a laser-etched Cobra snake logo, ensure high-performance compatibility and remain 50-state street legal.

SKU: M-6582-LE302SBK

$ 235.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

351W High Volume Oil Pump

Elevate your 351W engine's power with our high-volume oil pump, crafted for superior oil flow and reliability. Ideal for high-performance builds, it keeps your engine cooler and smoother—essential for any enthusiast pursuing peak performance.

SKU: M-6600-B3

$ 88.00

289/302 High Volume Oil Pump

Rev up your engine's performance with our High Volume Oil Pump, expertly crafted for 289/302 engines from 1963-2000. Perfect for Ford Performance 347 and 363 Crate Engines, it delivers superior lubrication for unmatched reliability and longevity.

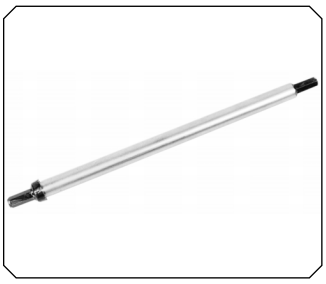

SKU: M-6600-D2

$ 77.00

351W Oil Pump Drive Shaft

Enhance your engine's reliability with our heavy-duty 351W Oil Pump Drive Shaft, expertly crafted from heat-treated chrome moly steel for unmatched durability. Designed for a perfect fit across various Ford Performance blocks, it guarantees peak performance and confidence on every drive.

SKU: M-6605-A341

$ 44.00

429/460 Oil Pump Drive Shaft

Enhance your engine's reliability with our Heavy-Duty Oil Pump Shaft, expertly crafted from heat-treated chrome moly steel for exceptional durability. Engineered for a variety of Ford Performance engines, it guarantees peak performance and confidence on every journey.

SKU: M-6605-A429

$ 44.00

289/302 Oil Pump Drive Shaft

Boost your engine's reliability with our Heavy Duty Oil Pump Shaft, crafted from rugged Chromoly steel for unparalleled strength. Specifically designed for a range of Ford Performance blocks, it guarantees optimal performance and peace of mind on every drive.

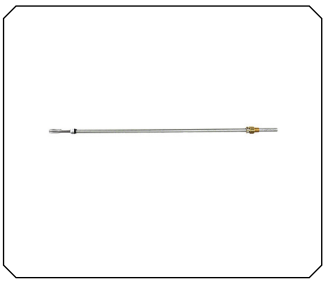

SKU: M-6605-B302

$ 44.00

302 Engine-Universal Oil Dipstick/ Tube

Enhance your engine's reliability with the Ford Performance 302 Engine Oil Dipstick/Tube. Universally designed for Canton-style race oil pans, it offers a customizable fit for precise oil readings, ensuring peak performance and peace of mind.

SKU: M-6622-302

$ 55.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

302 Deep Rear Sump Oil Pickup Tube

Boost your Mustang Cobra's performance with our 302 Deep Rear Sump Oil Pickup Tube. Engineered for high flow and durability, it offers over twice the flow area of typical aftermarket options, ensuring a smooth and efficient ride.

SKU: M-6622-DRS302

$ 125.00

351 Deep Rear Sump Oil Pickup Tube for Z351 Aluminum Block

Boost your engine's power with our Z351 aluminum block oil pickup tube, engineered for peak oil flow like the Mustang Cobra's. Enjoy smooth performance and efficiency with our high-flow design and superior thin wire screen, delivering twice the flow area of typical aftermarket options.

SKU: M-6622-DRS351A

$ 99.00

460 Deep Rear Sump Oil Pickup Tube

Boost your engine's performance with the 460 Rear Sump Pickup Tube, crafted for superior oil flow and reliability. Built for a perfect fit and unmatched durability, it features the high-flow design trusted by Mustang Cobra enthusiasts.

SKU: M-6622-DRS460

$ 145.00

302 Oil Pickup Tube Front Sump Pan

Enhance your engine's performance with the PICKUP TUBE 302 FRONTSUMP, offering a high-flow design trusted by Mustang Cobra engines. Enjoy smoother, more efficient rides with twice the flow area and a precision fit for your 302 block.

SKU: M-6622-FT302

$ 195.00

460 Front Sump Oil Pan Pickup Tube

SKU: M-6250-B303

$ 450.00

Small Block V-8 Hydraulic Roller Tappet Camshafts

Transform your Mustang with the iconic E303 hydraulic roller camshaft from Ford Performance. Enjoy an exhilarating power surge and classic lumpy idle, all while maintaining smooth driveability—ideal for carbureted or mass air fuel injection systems.

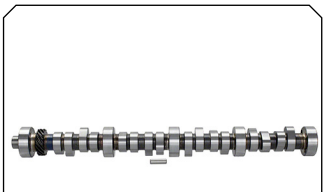

SKU: M-6250-E303

$ 450.00

Small Block V-8 Hydraulic Roller Tappet Camshafts

Unleash your 5.0L Fox-body Mustang's true power with the iconic F303 cam by Ford Performance. Enjoy a thrilling power surge and signature lumpy idle, while maintaining smooth driveability with carburetors or mass air fuel injection systems.

SKU: M-6250-F303

$ 450.00

7.3L Megazilla™ Hi-Performance Camshaft

Unleash the beast within your engine with the 7.3L MEGAZILLA™ HI-PERFORMANCE CAMSHAFT, just like the one in our Megazilla™ crate engine. Experience ultimate power and precision with enhanced intake and exhaust dynamics, ensuring peak performance on every drive.

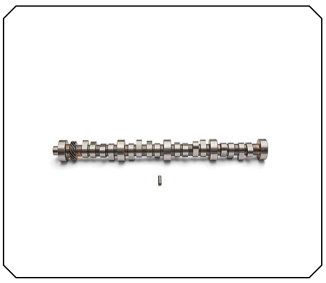

SKU: M-6250-SD73A

$ 1,815.00

Small Block V-8 Hydraulic Roller Tappet Camshafts

Unleash your Mustang's true power with the iconic X303 hydraulic roller camshaft from Ford Performance. Feel the exhilarating power boost and classic lumpy idle, all while enjoying smooth driveability—perfect for those craving the authentic muscle car experience.

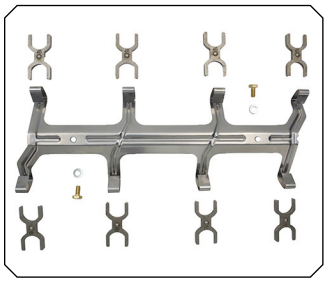

SKU: M-6250-X303

$ 450.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

ROLLER CAM CONVERSION KIT

Unlock your engine's true power with our Roller Cam Conversion Kit, tailored for 1985-2001 302 and 1994-1997 351W models. Perfect for Ford Performance Boss blocks, it promises flawless assembly and unmatched performance with top-notch components.

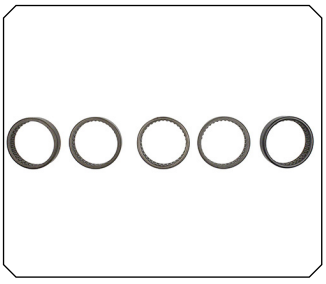

SKU: M-6253-A50

$ 135.00

Camshaft Bearings - Roller (Sold In Engine Sets)

Boost your engine's performance with our roller camshaft bearings, engineered for low-friction efficiency using minimal oil. Enjoy a smoother, more reliable ride by reducing oil aeration and windage losses, making every drive a superior experience.

SKU: M-6261-A460

$ 72.00

Camshaft Bearings - Roller (Sold In Engine Sets)

Enhance your engine's performance with our Roller Cam Bearings, designed for reduced friction and superior efficiency. These bearings need only oil "splash" lubrication, cutting down on oil aeration and windage losses for a smoother, more powerful drive.

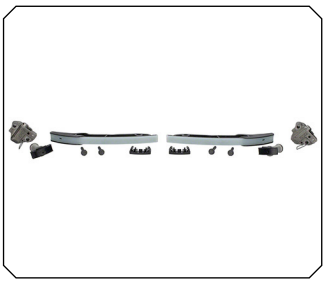

SKU: M-6261-D351

$ 105.00

5.0L Coyote Boss 302 Timing Chain Tensioners

Boost your engine's reliability and power with the 5.0L BOSS TIMING CHAIN TENSIONER, crafted for high rpm durability. Proven in the 2013 Mustang Cobra Jet, it's essential for any 2011-2023 Mustang or 2011-2020 F150 Coyote engine.

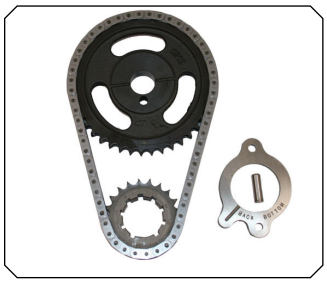

SKU: M-6266-M50B

$ 185.00

302/351W Double Roller Timing Chain Set - Cast Iron Gear

Elevate your ride with the 302/351W Double Roller Timing Chain Set, engineered for ultimate precision and durability. Enjoy seamless timing adjustments with its robust design, delivering a smoother, more powerful drive every time.

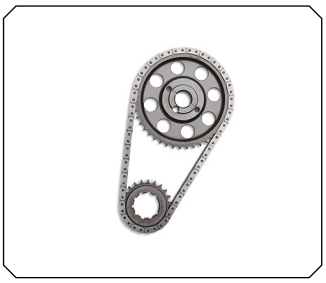

SKU: M-6268-A302

$ 225.00

429-460 Double Roller Timing Chain Set

Elevate your engine's power with our double roller timing chain set, crafted for 429/BOSS 429/460 competition builds. Enjoy precision 9-position adjustments and robust, steel-crafted durability for unmatched reliability and performance.

SKU: M-6268-A460

$ 270.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

302-351W Double Roller Timing Chain Set-Steel Gear

Rev up your engine's power with our 302-351W Double Roller Timing Chain Set—crafted from rugged steel for ultimate durability in competition builds. Achieve perfect timing with its 9-position crank sprocket, delivering unmatched performance and efficiency.

SKU: M-6268-B302

$ 210.00

7.3L Gas Engine Timing Set

Revitalize your 7.3L Super Duty gas engine with our premium timing set, featuring high-quality OE components from the 2020+ F250. Unlock superior performance and reliability with a comprehensive kit that includes a timing chain, crank sprocket, and cam sprocket with variable cam timing.

SKU: M-6268-SD73

$ 150.00

302-351W Camshaft Thrust Plate

Enhance your engine's performance with the Thrust Plate 302-351W, the ideal replacement for 302 and 351W engines. Perfectly crafted for flat tappet and hydraulic roller camshafts, it guarantees a precise fit with timing chain sets, boosting your vehicle's reliability and efficiency.

SKU: M-6269-A302

$ 66.00

Camshaft Thrust Plate

Enhance your 302/351 engine's performance with the Ford Performance Camshaft Thrust Plate, designed for extreme durability in harsh conditions. Made from robust steel, it seamlessly pairs with the M-6268-B302 Timing Chain Set for smooth, efficient operation.

SKU: M-6269-A351

$ 75.00

4.6L 3V Camshaft Bolt

Boost your 2005-2010 4.6L 3-valve engine's reliability and performance with the Ford Performance Camshaft Bolt Kit. Engineered for precision with a torque-to-yield design, it offers unmatched durability and the trusted performance you need.

SKU: M-6279-463V

$ 61.00

Fuel Pump Eccentric

Boost your engine's power with our Fuel Pump Eccentric, crafted from premium heat-treated steel for unmatched durability and efficiency. Designed for 289/302/351W small block Ford engines, it ensures smooth and powerful fuel delivery for an exceptional driving experience.

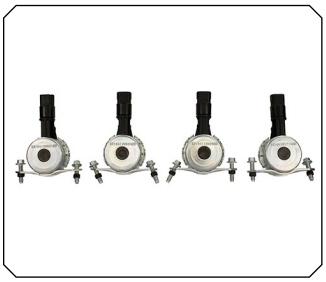

SKU: M-6287-B302

$ 165.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

5.0L Coyote High Strength VCT Solenoids

Elevate your ride with 5.0L Coyote High Strength VCT Solenoids, built to withstand racing's intensity and outperform OEM parts. Perfectly crafted for select Mustang and F-150 models, these solenoids ensure you leave the competition behind.

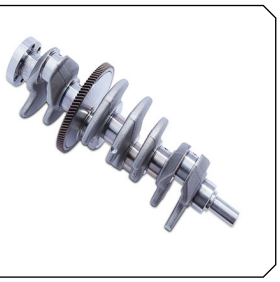

SKU: M-6297-M50A

$ 115.00

2015-2023 2.3L EcoBoost Crankshaft

Rev up your engine with the 2.3L EcoBoost Crankshaft, the exact high-performance part from 2015-2023 Mustangs. Forged from durable steel, it's ready to transform your ride into a powerhouse of performance and reliability.

SKU: M-6303-23EB

$ 415.00

High Strength Forged Steel 3.40" Stroker Crankshaft

Elevate your engine's performance with the CRANKSHAFT FORGED 347/363, crafted from high-strength forged steel for ultimate durability. Perfectly fitting 302 production and Ford Performance blocks, it features nitrided and polished journals for seamless, powerful performance.

SKU: M-6303-C340

$ 920.00

5.0L COYOTE MUSTANG FORGED CRANK

Unleash the full potential of your Mustang with the CRANKSHAFT FORGED 5.0L COYOTE, crafted from finish-machined forged steel for unmatched durability. Designed for the 2018-2026 models, it delivers seamless power and precision for a ride as thrilling as it looks.

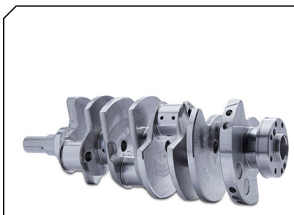

SKU: M-6303-M50B

$ 645.00

Coyote 5.2L Forged Crankshaft

Boost your engine's power with the 5.2L GT500 Crankshaft, crafted from forged steel for unmatched strength and reliability. Engineered for the 760hp "Predator" engine, this precision-machined component ensures your ride delivers peak performance every time.

SKU: M-6303-M52B

$ 1,440.00

7.3L GAS ENGINE CRANKSHAFT

Boost your 2020+ F250 Super Duty's power with our 7.3L Gas Crankshaft, precision-forged from durable steel. Enjoy robust strength and seamless efficiency, ensuring your V8 engine performs flawlessly mile after mile.

SKU: M-6303-SD73

$ 510.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

5.0L/5.2L High Strength Forged Steel Crankshaft Sprocket

Rev up your engine with the 5.0L/5.2L Forged Crankshaft Sprocket, tailored for race-level strength and reliability. It's built to be five times stronger than standard sprockets, ensuring your Mustang or F-150 can effortlessly handle extra horsepower and stress.

SKU: M-6306-M50A

$ 61.00

7.3L Gas Engine Crank Gear

Transform your 2020-2025 Super Duty 7.3L gas engine with our expertly crafted crank gear, tailored for a perfect fit. Experience enhanced power and reliability, ensuring your vehicle's peak performance with every drive.

SKU: M-6306-SD73

$ 15.00

Crankshaft Damper

Elevate your engine's performance with the Ford Performance Crankshaft Damper, crafted from billet steel for unmatched durability. Featuring precision laser-etched timing marks, it meets SFI 18-1 standards and is perfectly tuned for your Ford crate engine.

SKU: M-6316-A460

$ 440.00

Crankshaft Damper

Elevate your engine's performance with the Ford Performance Crankshaft Damper, built from robust billet steel for lasting durability. Experience smoother operation and precision timing with laser-etched marks and a sleek powdercoat finish, all meeting stringent SFI 18-1 standards.

SKU: M-6316-A50

$ 420.00

Crankshaft Damper

Elevate your ride with the Ford Performance Crankshaft Damper, expertly crafted from billet steel for unmatched precision. This SFI 18-1 compliant damper minimizes vibrations and boosts your engine's efficiency, making it an essential upgrade for passionate Ford drivers.

SKU: M-6316-A521

$ 385.00

Crankshaft Damper

Rev up your engine's performance with our Crankshaft Damper, engineered for exceptional balance and reliability, meeting SFI 18-1 standards. Perfect for 302, 351W, or 521 engines, it ensures a smoother, more efficient ride with robust construction.

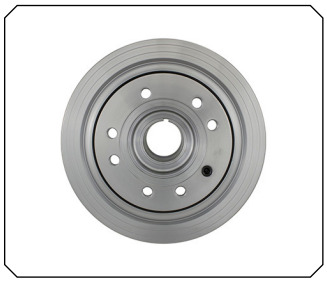

SKU: M-6316-C351

$ 480.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

302/351W Performance Crankshaft Damper

Rev up your ride with our Crankshaft Damper, crafted for 302/351W engines. Certified SFI 18-1 and offering versatile balance options, it guarantees smoother performance and extended engine life—essential for true performance enthusiasts.

SKU: M-6316-D302

$ 435.00

7.3L Gas Engine Harmonic Balancer

Upgrade your 2020-2024 Super Duty with our 7.3L Gas Engine Harmonic Balancer, crafted for peak performance and durability. With new OE components, this kit ensures a smoother, more reliable ride every time you hit the road.

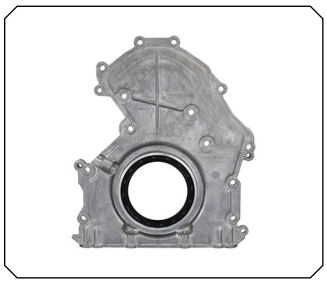

SKU: M-6316-SD73

$ 125.00

7.3L Gas Rear Main Seal Retainer Kit

Revitalize your 2020-2024 7.3L Super Duty gas engine with our cutting-edge OE Rear Main Seal Retainer Kit. Designed for both builds and rebuilds, this kit ensures peak performance and reliability, so your engine runs flawlessly.

SKU: M-6335-SD73

$ 50.00

5.2L/5.0L Main Bolt Kit

Boost your Mustang's power with the 5.2L Coyote Main Bolt Kit, perfectly tailored for 2015-2020 GT350s and 2011-2018 5.0L Coyote blocks. Experience unmatched reliability with our one-time-use, torque-to-yield bolts, crafted for ultimate strength.

SKU: M-6345-M52

$ 50.00

7.3L Gas Main Bearing Cap Bolt Kit

Enhance your 7.3L Gas engine's performance and durability with our precision-engineered Main Bearing Cap Bolt Kit, crafted for 2020-2023 Super Duty models. Trust in Ford Performance parts to meet OE specs and ensure your engine runs smoothly for years to come.

SKU: M-6345-SD73

$ 77.00

Manual Transmission Flywheel Steel 157t 28.2

Elevate your vehicle's performance with the FLYWHEEL STEEL 157 28.2, engineered from billet steel for superior strength and endurance. Ideal for pre-1981 302 and 351 engines, it meets SFI 1.1 standards, delivering exceptional reliability on both track and street.

SKU: M-6375-A302B

$ 370.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

5.0L Coyote Automatic Transmission Flexplate and Bolts 6R80

Boost your Mustang's power with our 5.0L Coyote Flexplate and Bolts, crafted for the 6R80 transmission. Experience precision fit and robust performance with eight torque-to-yield bolts, delivering flawless power transfer and ultimate driving confidence.

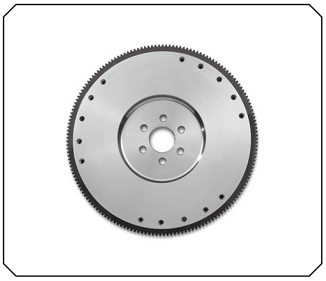

SKU: M-6375-A50C

$ 99.00

Manual Transmission Flywheel Steel 157t 50

Rev up your manual transmission with the Ford Performance Steel Flywheel 157. Crafted for precision and power, it ensures smoother shifts and unmatched durability for pre-1981 and later 302 and 351 engines, transforming your ride into a high-performance machine.

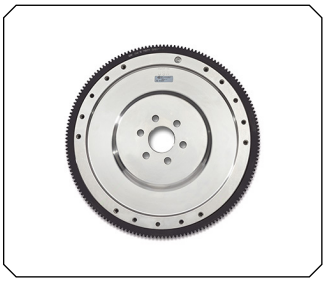

SKU: M-6375-C302B

$ 365.00

Manual Transmission Flywheel Steel 157t 0

Enhance your driving experience with the Flywheel Steel 157, crafted from robust billet steel for ultimate precision. Perfect for pre-1981 302 or 351 engines, it promises smoother, faster rides and meets SFI 1.1 standards for unmatched reliability.

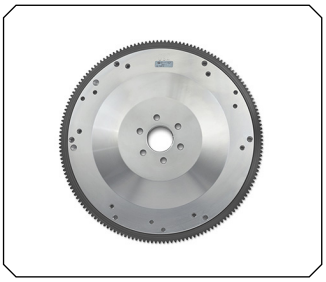

SKU: M-6375-D302B

$ 370.00

4.6L 6 Bolt Billet Steel Mustang Flywheel

Elevate your Mustang's performance with our FLYWHEEL BILLET 6 BOLT, expertly crafted from billet steel for unbeatable power transfer and durability. Perfect for pre-1981 302 and 351 engines, it's the ultimate upgrade for those seeking reliability and thrilling performance.

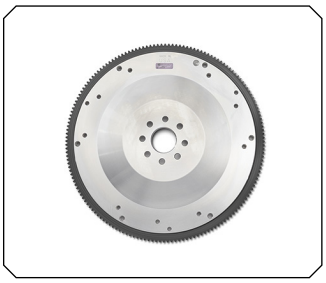

SKU: M-6375-F46A

$ 420.00

4.6L 8 Bolt Billet Steel Mustang Flywheel

Transform your Mustang's drive with our Flywheel Billet 8 Bolt, expertly forged from billet steel for unrivaled durability. Engineered for precision and power, it delivers seamless shifts and rapid acceleration, essential for the performance-driven enthusiast.

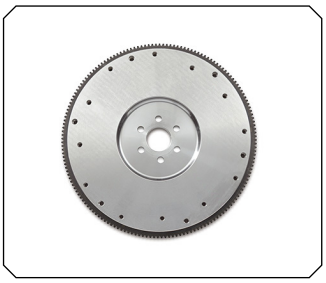

SKU: M-6375-G46A

$ 445.00

Manual Transmission Flywheel Billet Steel 164T 28.2

Elevate your driving experience with our Flywheel 164T 28.2INOZ, expertly forged from billet steel for exceptional durability and race-inspired performance. Designed for pre-1981 302 and 351 engines, it delivers smooth power and meets SFI 1.1 standards for ultimate safety and reliability.

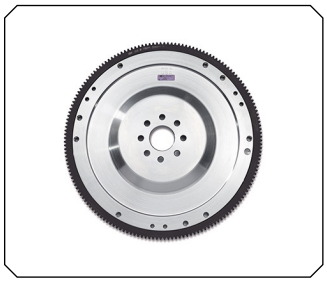

SKU: M-6375-K302

$ 445.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Flywheel Lightweight Billet 8 Bolt Modular-Coyote

Transform your Mustang's performance with the Lightweight Billet 8 Bolt Flywheel, crafted for 4.6L and 5.0L Coyote engines. Shed 9 pounds for quicker acceleration and enjoy perfect compatibility with various Mustang setups, all while meeting SFI 1.1 standards.

SKU: M-6375-M50

$ 445.00

5.0L Coyote 10R80 Auto Flexplate and Bolts

Enhance your Mustang's power with the 5.0L Coyote 10R80 Auto Flexplate and Bolts, crafted for 2018-2025 models. Experience flawless power delivery and precision engineering, ensuring a ride that's both smooth and responsive.

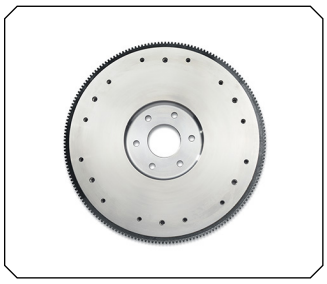

SKU: M-6375-M50D

$ 61.00

Manual Transmission Flywheel Billet Steel 184T 0 oz-in

Enhance your drive with the Ford Performance FLYWHEEL 427 0INOZ, precision-engineered from billet steel for unmatched durability. Perfectly tailored for 1965 and newer 360, 390, and 427 FE engines, it promises smooth, powerful performance, meeting stringent SFI 1.1 standards.

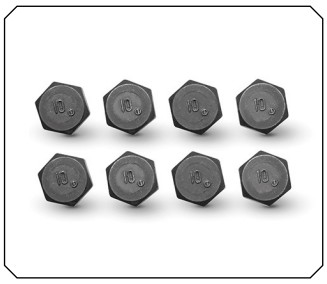

SKU: M-6375-N427

$ 445.00

5.0L Coyote Flywheel Bolt Kit

Elevate your 2011-2017 5.0L Coyote's performance with our precision-engineered flywheel bolt kit, tailored for your manual transmission. Enjoy unmatched stability and confidence on every drive with eight high-quality bolts designed just for your engine.

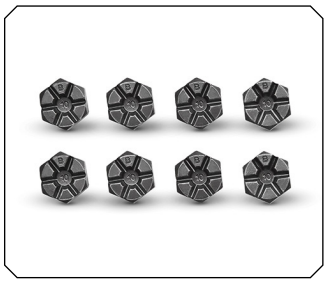

SKU: M-6379-C

$ 22.00

5.0L Coyote/7.3L Gas Automatic Transmission Flexplate Bolts

Rev up your vehicle's performance with our precision-engineered 5.0L Coyote Flexplate Bolts, designed for a flawless fit on select engines from 2011 to 2025. Experience a rock-solid connection and unleash top-tier power with every drive.

SKU: M-6379-M50A

$ 39.00

Ford GT and 5.4L GT500 Lash Adjusters

Experience unparalleled performance with our Ford GT and SVT 5.4L Lash Adjusters, crafted for the GT and GT500 5.4L DOHC engines. This set of 32 adjusters boosts engine efficiency and reliability, transforming every drive into a thrilling adventure.

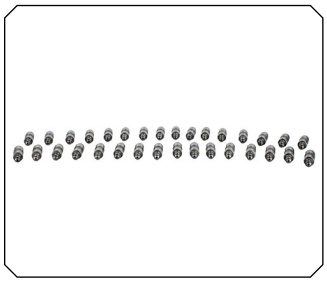

SKU: M-6500-GT

$ 375.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

5.0L Coyote Lash Adjuster Assembly Kit

Elevate your Mustang GT's performance with our Coyote Lash Adjuster Assembly Kit, designed for 2011-2025 models. This complete set of 32 adjusters, when paired with our follower kits, delivers unmatched engine efficiency and power.

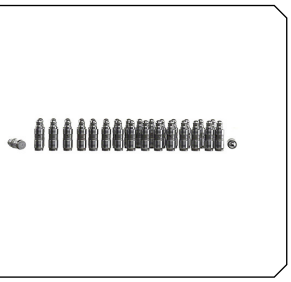

SKU: M-6500-M50

$ 415.00

2011-2024 5.0L/5.2L Coyote High Performance Lash Adjusters

Ignite your Mustang GT's potential with the 5.0L Coyote Lash Adjuster Race, crafted for racing excellence. Enhance reliability and enjoy seamless performance thanks to an internal oil reservoir, keeping you steady through every thrilling turn.

SKU: M-6500-M50R

$ 475.00

Hydraulic Roller Cam Lifters

Boost your engine's performance with our TAPPET SET HYD ROLLER, designed for 302-351W small block engines. This set of 16 hydraulic roller cam lifters offers seamless integration, ensuring reliability for high RPM and demanding conditions.

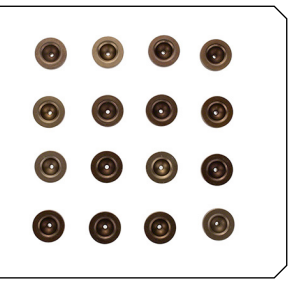

SKU: M-6500-R302

$ 360.00

High Performance Hardened Steel Lifter Cup-Set (16)

Unleash your engine's full power with our high-performance hardened steel lifter cups, crafted for the M-6500-R302H lifters. Perfect for high RPM and competition, this set of 16 promises unmatched durability and peak performance.

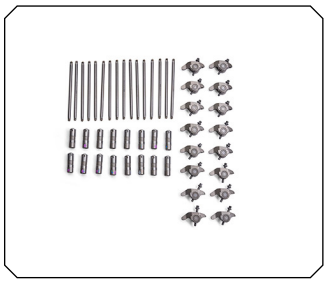

SKU: M-6500-R302HLC

$ 205.00

7.3L Valvetrain Kit - Pushrods, Rockers, Lifters

Experience peak performance and reliability with the Ford Performance Valvetrain Kit for your 7.3L Super Duty engine. Engineered with top-notch OE components, it guarantees durability and precision for models from 2020-2024.

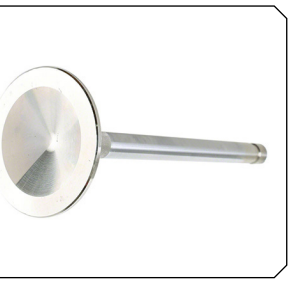

SKU: M-6501-SD73

$ 550.00

Exhaust Valve

Enhance your ride's power and efficiency with our premium stainless steel exhaust valve, crafted for optimal durability and flow. Experience the thrill of smoother, more robust performance every time you hit the road.

SKU: M-6505-A429

$ 22.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Exhaust Valve 302/351W

Boost your engine's power with our premium stainless steel exhaust valves, crafted for maximum durability and efficiency. Enjoy superior airflow and performance with swirl-polished, under-cut stems designed specifically for Ford Performance heads.

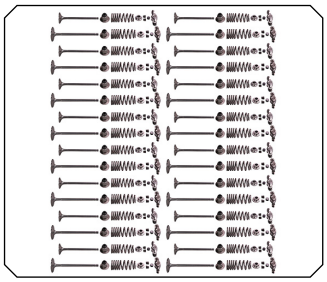

SKU: M-6505-B304

$ 28.00

2018 Cobra Jet 5.2L Titanium Valve Train Kit

Transform your engine's capabilities with the Titanium 5.2L Cobra Jet HD Valve Train Kit, crafted for the ultimate race-ready experience. Engineered by Ford Performance, this kit is 36% lighter than stock, offering unrivaled durability and stability up to 9,000 rpm.

SKU: M-6505-CJ52

$ 3,725.00

Exhaust Valve 7mm

Boost your ride's performance with our EXHAUST VALVE 7MM, precision-engineered for durability and efficiency. Made from premium stainless steel and swirl polished for superior flow, it's the perfect upgrade for smoother, more powerful driving.

SKU: M-6505-D3047

$ 20.00

5.2L Cylinder Head Valve Train Kit

Unleash race-ready power with the FP350S Valvetrain Kit for your 5.2L engine. Designed for peak performance at up to 8,250 rpm, this kit features the same durable components as the FP350S road race car, ensuring your engine's robustness and precision on the track.

SKU: M-6505-FP350S

$ 2,275.00

Exhaust Valve

Unleash your engine's true power with Ford Performance's premium exhaust valves, crafted from swirl-polished stainless steel for unmatched durability and efficiency. Designed for versatile fitment, these valves optimize airflow to deliver peak performance and power.

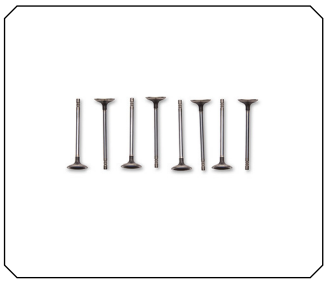

SKU: M-6505-G302

$ 17.00

Exhaust Valve Lightweight 5.2L Coyote - (8)

Experience unmatched power with our lightweight 5.2L Coyote exhaust valves, expertly crafted to boost efficiency and unleash your engine's full potential. With a precise 32.5mm diameter, they're the ultimate upgrade for any true performance enthusiast.

SKU: M-6505-M52

$ 160.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Intake Valve

Elevate your engine's power with our premium stainless steel intake valves, crafted for unmatched durability and efficiency. Designed with precision and a swirl-polished finish, they deliver superior airflow and performance for your GT-40 and Wedge SCJ Aluminum heads.

SKU: M-6507-A304

$ 28.00

Intake Valve

Enhance your engine's performance with our high-quality stainless steel intake valves, crafted for precision and durability. Featuring a swirl-polished finish and under-cut stem, these valves maximize airflow, boosting your vehicle's power and efficiency.

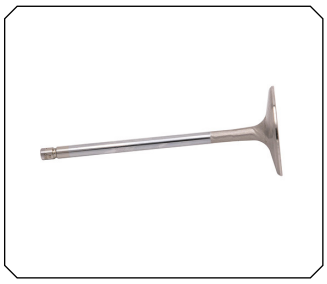

SKU: M-6507-B429

$ 22.00

7mm Intake Valve

Boost your engine's performance with our premium 7MM Intake Valve, expertly crafted from stainless steel for exceptional durability. Its swirl-polished, under-cut stem maximizes airflow, delivering enhanced power and efficiency for your GT-40 and compatible aluminum heads.

SKU: M-6507-D3047

$ 20.00

Intake Valve

Boost your engine's power and speed with our INTAKE VALVE X-HEAD. Made from premium stainless steel with a swirl-polished, under-cut stem, it ensures unmatched durability and airflow for a smoother, faster ride.

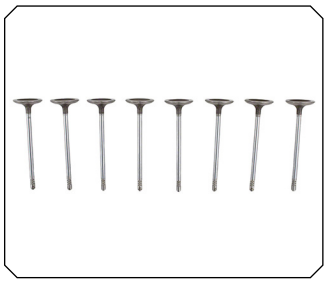

SKU: M-6507-J302

$ 22.00

Intake Valve Light Weight 5.2L Coyote - (8)

Boost your engine's power with our lightweight 5.2L Coyote intake valves, expertly crafted to fit your cylinder heads. Their 38.3mm diameter maximizes airflow, offering superior performance compared to the standard Gen 2 Coyote setup.

SKU: M-6507-M52

$ 150.00

Bronze Valve Guide Kit

Boost your engine's power and longevity with our Bronze Valve Guide 4 Pack, crafted for M-6049 Y/X-series heads. Ensure a perfect fit with these durable guides, designed for 11/32 valves, delivering a smoother ride and exceptional performance.

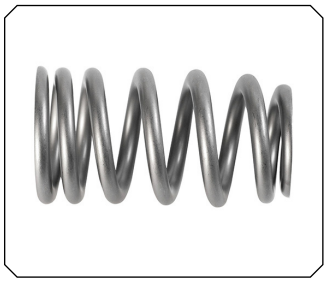

SKU: M-6510-XRBVG

$ 44.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

PAC1219X Beehive Valve Spring Set (16)

Boost your engine's power with the PAC 1219X Beehive Valve Spring Set. Engineered for superior pressure and durability, these springs transform your ride into a smoother, more thrilling experience, perfect for any performance enthusiast.

SKU: M-6513-1219X

$ 315.00

TVS-1734 Valve Spring (1)

Boost your ride with the TVS-1734 Valve Spring, engineered for M-6049-SCJA heads. With 135# closed and 365# open seat pressures, it delivers a maximum lift of .700" for seamless power and performance.

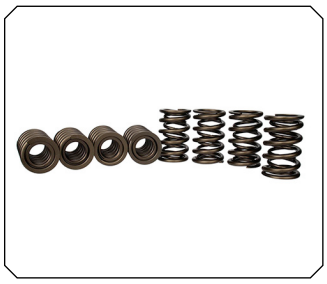

SKU: M-6513-17341

$ 22.00

TVS-1734 Valve Springs Set (8)

Elevate your ride's performance with our TVS-1734 valve springs, precision-engineered for M-6049-SCJA cylinder heads. With superior pressure ratings and a max lift of .700", these springs deliver unmatched power and reliability for high-performance enthusiasts.

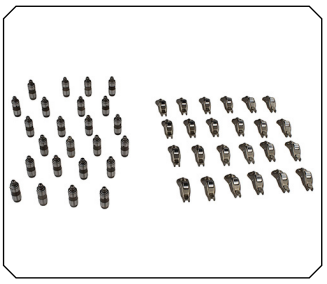

SKU: M-6513-17348

$ 165.00

Modular 3V Rocker Arm and Lash Adjuster Kit

Elevate your 2005-2010 Mustang GT with our Modular 3V Rocker Arm and Lash Adjuster Kit, crafted for 4.6L 3V engines. This original production set, featuring 24 rocker arms and lash adjusters, boosts reliability and precision, keeping your ride running flawlessly.

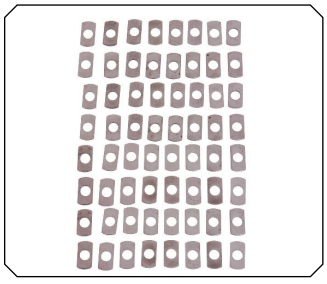

SKU: M-6529-3V

$ 550.00

VALVE ROCKER ARM PEDESTAL SHIM KIT

Optimize valvetrain geometry with this rocker arm pedestal shim kit—ideal for adjusting lifter preload after machining or camshaft upgrades, ensuring proper valve operation and maximizing performance in your small block Ford build.

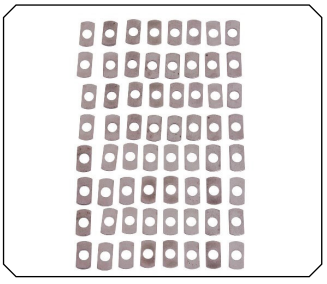

SKU: M-6529-A302

$ 25.00

Rocker Arm Pedestal Shim Kit

Boost your engine's performance with our Rocker Arm Pedestal Shim Kit, tailored for 302 and 351 pedestal style heads. Achieve optimal lifter pre-load and unlock peak efficiency and reliability in your roller rocker arms with precision shims in four thicknesses.

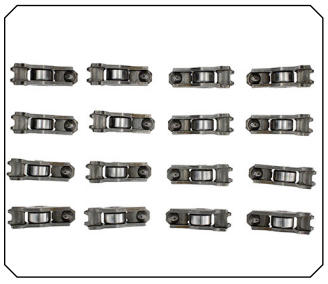

SKU: M-6529-B302

$ 35.00

Please reference performanceparts.ford.com for information on Ford Performance Parts Warranty and Disclaimers.

Mustang SVT 5.4L Modular Rocker Arm Set

Boost your engine's prowess with the Mustang SVT 5.4L Modular Rocker Arm Set, originally crafted for the Ford GT. Enjoy enhanced efficiency with lighter, stiffer arms, making it the ultimate upgrade for your 4.6L or 5.4L engine.

SKU: M-6529-MSVT

$ 375.00

2005-2010 MUSTANG GT HIGH LIFT HOT ROD CAM SET

Rev up your 2005-2010 Mustang GT with our high-lift hot rod cam set, giving it a lopey idle that echoes the 1960s muscle car era. Boost your horsepower by up to 50 hp with this expertly engineered upgrade, transforming your ride into a true powerhouse.

SKU: M-6550-3V

$ 1,160.00

2012-2013 Boss 302 Intake Cam Set for Coyote 5.0L

Elevate your engine's performance with the BOSS Intake Camshaft, offering a robust 13mm lift and 263-degree duration specifically designed for the 2012-2013 BOSS 302 Coyote 5.0L. Perfect for enthusiasts ready to unleash unmatched power and precision on every drive.

SKU: M-6550-M50BINT

$ 1,100.00

GEN 2 COYOTE 5.2L HIGH PERFORMANCE CAMS

Unleash the full power of your Coyote engine with our 5.2L High Performance Cams Gen 2, crafted for remarkable precision and strength. Elevate your ride with superior intake and exhaust efficiency, transforming every drive into an exhilarating experience.
